

SGMT

Seventh Generation Midwives Toronto

If you are a current client of SGMT, please read:

SGMT has decided to participate in local measures to slow the spread of COVID-19. Beginning today:

Clinic space remains open for healthy clients needing antenatal/postpartum appointments.

Healthy clients are encouraged to attend appointments alone, if possible, but will be limited to one support person if needed.

Healthy clients are encouraged to attend appointments without children, if possible.

SGMT information sessions, tours and programming are canceled until further notice.

SGMT staff will screen everyone at the clinic door, and direct anyone with fever and/or cough OR who have travelled outside Canada in the last 14 days, OR who have been in close contact with anyone with suspected or confirmed Coronavirus/COVID-19, OR who has had close contact with someone who is sick or who has travelled outside of Canada within the last 14 days to return home immediately and contact the clinic.

If you have any concerns or questions about how the measures we're taking may impact you, please email our SGMT partners at midwife@sgmt.ca, or call our front desk at 416.530.7468.

Miigwetch. Thank you.
